Part 1 of the meeting – Elections:

The above people were elected as the new Lakeside Committee, with 107 residents participating in the vote.

Part 2 of the meeting – Discussion among new Committee, transitional Committee, and residents:

Points addressed

- E-vote options should be considered for future elections. Jon (webmaster will suggest options)
- Information on how partners and spouses can be added on the Lakeside listservs (Committee and ACC) should be sent out to residents.
- Some residents wanted to know why certain Committee positions were only open to student residents. While this is due to rules about student

organizations, it has been suggested that this rule could be reconsidered for housing committees.

- There are not enough covered bike racks throughout the vicinity. Lightning close to the uncovered racks is bad. Committee will discuss this with ACC.
- Bagging of recyclables: why and is it really mandatory? Committee will discuss recycling policies with ACC.
- Discussion board where residents can post their questions. Committee will discuss this and webmaster will see if it is possible to have such a board on the website.
- Fitness room: Weights. Committee will ask ACC to explain exactly why it is not possible to have them in the fitness room. Possibly, the Committee will try to find a way to obtain weights. Coat hanger. The Committee will also ask ACC if it is possible to get a coat hanger in the fitness room.
- Trick-or-Treat: Flyers and information on trick-or-treating for Halloween should be sent out to residents prior to the 31st.
- Logistics such as formal registration of the Committee and Committee listserv need to be figured out.
- New Committee members agreed to meet a second time in October, in order to get to know one another and develop a common action plan.
