Results of Google Form Survey of Resident Feedback (Q's from residents, A's from Gloria and the committee members)

- Q: Can the lights in the parking garage be fixed?
 - A: Yes, we are working on fixing those.
- Q: A friend with a hurt leg would like a temporary parking spot so he doesn't have to walk from the parking garage to his apartment.
 - A: He can reach out to TPS via email and get a handicapped sign for his car, that will allow him to park in certain temporary spots.
- Q: Can we install a ping pong table somewhere at Lakeside?
 - A: This has been discussed before, is there enough collective interest among residents? The only problem is we would lose seating space in order to put it somewhere indoors, space is the only constraint. Please reach out to lakesidecomm@princeton.edu if you would like to reiterate this request and if there is enough interest among the residents we can consider it.
- Q: Will a new CSA program be established with dropoff at Lakeside?

- A: This is being actively discussed and figured out. We are currently doing research into our options. We will update residents as soon as we can.
- Q: Can the hallways be cleaned? Sometimes there is salt or mud in the hallways.
 - A: Lakeside staff clean the hallways regularly, about once a week. The staff also do rounds around the complex to make sure all areas are clean. If you can think of a specific area that needs better cleanliness please let us know at lakesidecomm@princeton.edu.
- Q: Can Lakeside issue a reminder for residents to park their cars correctly in the parking lot (e.g. not crooked, etc)?
 - A: Yes, we will post it in the upcoming Lakeside Newsletter.
